Elections are due and it is time to show your faith.

Dear Councillor,

Please find attached a letter to PM Boris Johnson signed by 130 Imams and scholars:

<http://www.muslimactionforum.com/Letter to PM BGS2.pdf>

I fully support the letter content in entirety and the position taken by the Imams and scholars.

As your constituent I would like to ask what your view is and if you agree with the letter?

Will you ask the PM to stand with British Muslims in the condemnation of such divisive actions?

There should be greater penalties for those in positions of responsibility such as public servants to ensure a tolerant civil UK adhering to British values.

Offensive caricatures of Prophet Muhammad (peace be upon him) is part of a series of Islamophobic attacks against Muslims in Europe and the worldwide Muslim community.

These caricatures are offensive incite hate against the Muslim faith including myself and pit communities against each other. They have been part of a series of right wing attacks against Muslims in Europe in the last 25 years to demonise Islam and Muslims.

I look forward to hearing from you.
